APPLICATION

Net2Globe International, Inc. ("Net2Globe" or "Applicant"), by its undersigned counsel, hereby requests global resale authority under Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and Section 63.18 of the Commission's Rules, 47 C.F.R. § 63.18, to provide international resale telecommunications services between the United States and international points.

I. The Applicant

Net2Globe is a corporation organized under the laws of the State of California. Net2Globe is not a foreign carrier and is not affiliated, within the meaning of Section 63.09(e) of the Commission's Rules, 47 C.F.R. § 63.09(e), with any foreign carrier. II. Public Interest Considerations

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market.
